About culturecliQ:

Founded by experienced human resource professionals, culturecliQ is a breakthrough, web-based recruiting method that connects candidates and companies based on the nature of the company's culture and the environment the candidate is seeking. Utilizing an innovative and exclusive algorithm (patent pending), culturecliQ automatically connects candidates to companies through an advanced and completely customized matching process. CulturecliQ proves that people are more than words on a resume and that companies are more than the salaries they offer. As the recruiting tool for the new millennium, culturecliQ improves the working world by connecting job candidates with companies they find appealing and linking companies to the right candidates.
